Information about SEQCA and an invitation to help us grow our membership

The SEQ Community Alliance (SEQCA) is a not-for-profit, umbrella organisation formed by planning and environmental advocacy groups based across SEQ. Member organisations are concerned about the quality of development in SEQ. Our priority concerns are:

1. Defending and ensuring the liveability of our built environment.
2. Promoting well-planned, resilient communities with green space and networking opportunities that build character and identity.
3. Ensuring development is conducted in an open, democratic and transparent manner.

SEQCA brings together the voices and advocacy of the following community organisations:

- Gecko Environment Council Association (GECKO)
- Gold Coast Community Alliance
- Redlands 2030 (R2030)
- Brisbane Residents United (BRU)
- Sunshine Coast Environment Council Association (SCEC)
- Organisation Sunshine Coast Association of Residents (OSCAR)
- Brisbane Region Environment Council
- Logan Ratepayers Association
- Bellbird Park Community Association
- Brisbane Flight Path Community Alliance
